Corks, for bottles.

Pepper, black, Maisaar.

Bottles, octagon, for mustard and pepper.

Corks, for bottles.

All the foregoing articles must be of the best quality, and conformable in all respects to the samples deposited at said navy-yards and in this bureau, and subject to such inspection at the navy-yard where delivered as the chief of the bureau may direct, the inspecting officer to be appointed by the Navy Department.

All the articles to be delivered free of any incidental expense to the government, in proper vessels of packages, and the price of each article must be the same at the respective places of delivery. Packages in which the above articles are delivered must be marked with their contents and the name of the contractor, and be sufficient to insure their temporary safe-keeping.

The contractor must establish agencies at such stations other than his residence, that no delay may arise in furnishing what may be required; and when the contractor or agent falls promptly to comply with a requisition, the Chief of the Bureau of Provisions and Crothing shall be authorized to direct purchases to be made to supply the dencionary, under the pennity to be expressed in the contract; the record of a requisition, or a duplicate copy thereof, at the Bureau of Provisions and Clothing, or at either of the navy-yards aforesid, shall be evidence that such requisition has been made and received.

Two or more approved surelies, in a sum equal to the estimated amount of the contract, will be required, and twouty per contum in addition will be withheid from the amount of all payments on account thereof as collateral socurity, to secure its performance, and to have event to be paid until it is in all respects complied with; eighty per coutum of the amount of all deliveries made will be paid by the navy agent within thirty days after bills, duly authenticated, shall have been presented to him.

A record, or duplicate of the letter informing a bidder of the acceptance of his proposal, will be deemed a notification thereof, within the meaning o

Washington Aqueduct.

DROPOSALS are invited for materials and work for the Washington aqueduct.
roposals received up to 7th May will be opened at neon of that

Proposals received up to 7th May will be opened at noon of that day.

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace massonry of some of the bridges, graduation, excavation, and smbankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay is commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for uninished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to holding out sufficiently, to decide when and what works shall be stopped until finds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent. will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has

gone.

Payments will be made in specie checks upon the United States treasury upon the mouthly estimates of the engineer, reserving 10 per cent, and it will be a condition of all contracts that the workmen shall be paid their full wages mouthly, and in specie.

All bids should be sealed, and endersed "Preposals for work or mortals on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductive to the progress of the work.

ments as may be considered most conducive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, it his or their bid be accepted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district independent of the superior of the general government or individual known to the Engineer or Department of War, that the guarantees are able to make good their guarantee. nuarantee.

Bids will be opened in presence of bidders, if any of them choose to be present.

Capt. of Engineers, in charge.
